PLAT OF SURVEY GERALD, MO

Year: 2022 Contact/Client: Wayne Brautigam

Estimated Cost: \$6,500 3344 Peters Ford Road

Cost: \$6,258 Leslie, MO 63056 **Project Manager:** Aaron C. Wagner (636) 583-3924

Immediate Supervisor: Mark R. Frankenberg brautigamwellservice97@gmail.com

BFA created this plat of survey for a 300+ acre farm located in Franklin County, Missouri. This specific project required going "off-site" to locate section and quarter quarter corners in order to use the original GLO plats from the 1800's to re-establish property lines. This property is located in a very rural area and most of monumentation was no longer present.
